

**Ottawa's west-end Pride Festival**  
**SPONSORSHIP**  
**PACKAGE**

## Dear Sponsor,

The organisers of West Side Pride are excited that preparations are underway for the Stittsville and surrounding areas' fourth-annual West Side Pride Festival **11am-4pm on July 25th, 2026** with our first parade tentatively scheduled, though official confirmation on that is still pending..

Since 1969, Pride celebrations have been a time **to recognise the impacts** that lesbian, gay, bisexual and transgender (LGBTQIA2S+) people have **on the world's history at local, national and international levels.**

Today, Pride celebrations can last an entire week and commonly include parades, picnics, parties, workshops and concerts that are open to everyone, regardless of sexual orientation or identity, **attracting millions of participants around the world.**

This year, West Side Pride will again feature a free afternoon filled with professional stage entertainment, a community information fair, a fun-filled children's area, local artisans and vendors including food and drink.

We will also continue to host year-round events aimed at stimulating community awareness and involvement.

Because West Side Pride events are free and open to the public, your sponsorship supports costs associated with securities, insurance, audio/visual rentals and other administrative expenses as needed (e.g., website services).

As a leader in Ottawa's west end, your support ensures that we produce a vibrant Pride celebration – **one that promotes diversity, inclusion and acceptance.**

As a board, we are actively seeking local businesses, organisations and individuals who want **to help make this event a community success** and as such, I hope that you consider becoming a sponsor.

Sincerely,  
**Marion Steele**

## What is West Side Pride?

West Side Pride is a local “Pride” organization serving the Western Ottawa communities of Stittsville, Kanata and Richmond and the outlying communities of the Ottawa Valley such as Kinburn, Dunrobin, Carp, Arnprior, Pakenham and Renfrew. In addition to organizing an annual Pride Festival and educational and community events, West Side Pride’s Board of Directors operates with one overarching mission: a world where all LGBTQ+ individuals thrive – living authentically, safely and equitably within their communities. All funds raised for West Side Pride, a not-for-profit organization, go toward programming that supports this mission.
